It's easy with the Online Advocacy Center

★ Just click on the red, white & blue icon on Four County's home page 4CLS.org to jump to the New York Library Association's Online Advocacy Center, then follow the simple instructions (use your nine-digit ZIP code where appropriate).

★ When necessary we'll call upon you to click the "Take Action" button for the message that NYLA will develop to target a critical library-related issue, such as library funding cuts, or you can create your own message to your elected officials.

★ Choose "Fax" as the delivery method, fill in the section for Sender Information, and click the "Send Message" button at the bottom of the page. That's all it takes to become a library advocate!
